

## CLEANING AND AUTOMATION

### Turn-key cleaning systems for the Poultry Industry

### Proven Experience and Technology

Foodmate US is an exclusive agent for Numafa in North America. The companies share the same innovative approach backed by many years of proven experience and technology in the poultry industry. Numafa, the specialists in the manufacture of industrial cleaning systems, has been a leading company in the sector for over 40 years. This partnership allows the companies to bring to the North and South American markets 'stand alone' units, as well as complete turn-key automated solutions to poultry processing facilities.

Foodmate | Numafa offers a wide range of poultry processing cleaning systems. The entire product line carries a full understanding of the hygiene requirements in this industry and offers solutions that are in compliance with the latest hygiene regulations.

## ECM Q-TL Eco Clean Master

The ECM Q-TL has been developed to clean 2,500 crates per hour | medium to heavy soiling

- Cleans 500 to 2,500 crates and lids per hour
- Suitable for washing both crates and lids
- Lids are transported and washed on a separate track
  - Lids are vertically positioned and the spraying nozzles fully surround the lids
  - Crates are washed with the open side down, with the nozzles completely surrounding the crates

**Foodmate | Numafa** offers a wide range of poultry processing cleaning systems. The entire product line carries a full understanding of the hygiene requirements in the poultry industry and offers solutions that fit within the latest hygiene regulations.

**YOU WILL HAVE A SHINING RESULT**

foodmate

Foodmate is a leading manufacturer of poultry processing equipment such as cut-up and deboning systems. Foodmate's experienced team is backed by decades of poultry industry knowledge resulting in the engineering, development and implementation of highly innovative designs geared to its clients' ever-changing needs. Founded by industry experts in early 2006 in the Netherlands, the company quickly expanded its worldwide distribution into North and South America with the launch of Foodmate US, in 2010. Foodmate has since become the committed and reliable partner of major poultry processing companies worldwide.
